## TRAVEL TRAX TOUR

### 1. INTRODUCTION

#### 1.1 Overview

Travel refers to the act of moving from one location to another. This can refer to long-distance, short-distance, overseas, domestic, and various other forms. Crucially, travel also includes both round trips and one-way journeys and it covers a wide variety of different travel purposes. A tour and travel business involves coordinating between local vendors and tour guides, booking for travel through land, water or air, documentation processing as well as identifying and retaining a pleasant tour guide who will be the face of the company.

#### 1.2 Purpose

A visit to a place or area, especially one during which you look around the place or area and learn about it. Tour is normally taken with an intention of enjoyment and relaxation. On the other hand travel is an uncountable noun.
